Villa livré avec 5 Chambres et 6 Salles de bains, piscine à débordement piscine et parking souterrain.

Unique and exclusive design villa for sale with a total area of 675 m<sup>2</sup> overlooking Guardamar and the sea.

All bedrooms have en-suite bathrooms and terraces with views of the Sierra del Recorral. From the 3 infinity pools you can enjoy the beautiful view and the natural environment of Rojales. In addition, the villa has a jacuzzi, solarium of 150 m<sup>2</sup>, a gym, spa, hammam, bar, a garage for four cars and additional space. The natural light provided by the English patio allows you to make the most of this space for extra bedrooms, storage rooms or for a recreation room that you have always dreamed of.

The exclusive and sustainable villas are designed to fully enjoy the beautiful views of the Guardamar skyline. A combination of sea views, nature and the luxurious lifestyle a short distance from Ciudad Quesada and Rojales. The sustainable design, the high-quality finish and the unique location make this villa truly unique.
